## About This Booklet

This booklet covers the fees and charges that apply to the Bank's:

- Savings Accounts
- Term Deposits
- Payment Services
- Loans/Continuing Credit

Fees and charges relating to the Equity Maximiser Loan are contained in the "Schedule of Fees and Charges Equity Maximiser" booklet. Additional information on fees and charges for business loans or securitised mortgages is available on application.

The fees and charges listed in this booklet are current from 5 February 2025. This booklet provides notification of:

1. the introduction of any fees applicable to any loan or overdraft that did not originally disclose those fees (if they have not been introduced by a previous notice)
2. Changes to existing fees and charges.

Interest rates are detailed in our separate "Interest Rates" brochure. Terms and Conditions for loan/credit products and other services are available on application.

The credit related fees listed in this booklet may not apply to all contracts entered into with the Bank. If you apply for credit, all fees applicable to your loan or credit facility will be disclosed in your credit contract.

## Investment Accounts

There are no fees or charges payable.

However, if you redeem a term deposit prior to the end of its term the interest rate will be reduced from the rate we agreed to pay. The reduced rate will be as decided by us from time to time and can be much lower than the rate that would otherwise apply. This applies to all Members.

## Transaction Fees

Any transaction charges in excess of any monthly allowances benefit will be debited to your account on the last day of the month in which the fees were incurred.
